Dear Sir:

At the request of Mr. Georg Lober, I am enclosing herewith an application for membership in this Society. Mr. Lober has told me of your interest in medals as well as coins and it gives me great pleasure to cordially second the invitation which he extended to you to become an associate member in our organization. May I add, that inasmuch as your application would come before the Council on their next meeting November 20th, you will not be required to pay dues for the current year, unless you wish the publication of the year. These, however, are more than usually important and if you can give us the pleasure of welcoming you here at our Society it will be possible for you to see them and you could then decide whether or not you cared to have them. Needless to say, we should be glad to have you come and avail yourself of the possibilities of our collection and library, whether or not it proves convenient for you to accept this invitation to membership.

Very sincerely yours,

SN:JC
